ANNUAL PERCENTAGE RATES ("APRs") (See your Pricing Schedule for the APRs that apply to your Account)

Variable APRs	The Annual Percentage Rate may increase or decrease if the highest rate of interest identified as the 'Prime Rate' in the 'Money Rates' column of the Wall Street Journal increases or decreases. The Annual Percentage Rate will be equal to the Prime Rate plus a margin of 6.5%-15.25%. The Annual Percentage Rate will be adjusted to reflect changes in the Prime Rate on a monthly basis. Card issuer will review the Annual Percentage Rate on the 10 th day of the month. If the Prime Rate on that date has changed from the rate used in the previous month,	an adjustment to the rate will be made. Rate changes will be effective on the sixth day of the following month. Any changes to rates for plans with existing balances will take effect on the first day of the billing cycle following a change in the rate. The Annual Percentage Rate will never be more than the maximum rate allowed by applicable law. Any increase will take the form of more payments of the same amount.

MAKING PAYMENTS

Payment Instructions

- You must pay us in U.S. dollars. All checks must be drawn on funds on deposit in the U.S.
- You must pay us for all amounts due on your Account. This includes charges made by Authorized Users.
- We may refuse to accept a payment in a foreign currency. If we do accept it, we will charge your Account our cost to convert it to U.S. dollars.
- **We can accept late payments, partial payments or payments marked “payment in full” or with any**

other restrictive endorsement without losing any of our rights under this Agreement.

- We credit your payments in accordance with the terms contained on your billing statement.
- If you mail your payment to an address other than the address designated on your billing statement, there may be a delay in processing and crediting the payment to your Account.

Minimum Payment Due

You may pay the entire New Balance shown on your billing statement at any time. Each billing period you must pay at least the Minimum Payment Due by the Payment Due Date shown on your billing statement. The Minimum Payment Due will be the greater of:

- \$20; or
- Any amount past due plus the greater of:
 - 3% of the New Balance shown on your billing statement (excluding any Interest Charges and Late Fee shown on your billing statement); or
 - any Interest

The Minimum Payment Due may also include amounts by which you exceed your Account credit line. It will never exceed the New Balance. The Minimum Payment Due is rounded up to the nearest dollar.

How We Apply Payments

We apply payments and credits at our discretion, including in a manner most favorable or convenient for us. In all cases, we will apply payments and credits as required by applicable law.

Each billing period, we will generally apply amounts you pay that exceed the Minimum Payment Due to balances with higher APRs before balances with lower APRs as of the date we credit your payment.

INTEREST CHARGES

How We Calculate Interest Charges—Average Daily Balance Method (including current transactions)

How We Figure Your Total Interest Charges

Cash Advance Plans- Average Daily Balance (including current transactions). The **Interest Charge** on cash advances begins from the date you obtain the cash advance, or the first day which it is posted to your account, whichever is later. There is no grace period provided for current cycle transactions. The **Interest Charges** for a billing cycle are computed by dividing the Annual Percentage Rate (APR) by 12 and applying the periodic rate to the “average daily balance” of cash advances. To get the daily balance, we take the beginning cash balance of your account each day, add any new cash advances, and subtract any payments, credits, non-accruing fees, and unpaid Interest Charges. This gives us the daily balance of cash advances. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the average daily balance of cash advances.

Retail/Purchase Plans-Average Daily Balance (including current transactions). **To avoid incurring additional Interest Charges on balances of purchases reflected on your monthly statement and on any new purchases appearing on your next monthly statement, you must pay the New Balance shown on your monthly statement on or before the Payment Due Date. The grace period for the purchases extends to the Payment Due Date.**

The **Interest Charges** for a billing cycle are computed by dividing the Annual Percentage Rate (APR) by 12 and applying the periodic rate to the “average daily balance” of retail purchases. To get the average daily balance, we take the beginning retail/purchase balance of your account each day, add any new purchases, and subtract any payments, credits, non-accruing fees, and unpaid Interest Charges. This gives us the daily balance of retail purchases. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the average daily balance of retail purchases.

- We add up all the average monthly interest charges. The sum is the total interest charge for the billing period.

How We Include Fees

We add Balance Transfer Fees to the applicable Balance Transfer Transaction Category. We add Cash Advance Fees to

the applicable Cash Advance Transaction Category. We add all other fees to the standard Purchase Transaction Category.

Paying Interest **When Interest Charges Begin** We begin to impose interest charges on a transaction, fee or interest charge from the day we add it to the daily balance. We continue to impose interest charges until you pay the total amount you owe us. **You can avoid paying interest on Purchases as described above.** However, you cannot avoid paying interest on Balance Transfers or Cash Advances.

OTHER IMPORTANT INFORMATION

Default You are in default if:

- you file bankruptcy or another insolvency proceeding is filed by you or against you;
- we have a reasonable belief that you are unable or unwilling to repay your obligations to us;
- you die or are legally declared incompetent or incapacitated;

• you fail to comply with the terms of this Agreement or any Agreement with us or an Affiliate, including failing to make a required payment when due, exceeding your Account credit line or using your Card or Account for an illegal transaction.

If you are in default, we may declare the entire balance of your Account immediately due and payable without notice.

Collection Costs If we use an attorney to collect your Account, we may charge you our legal costs as permitted by law. These include reasonable attorneys' fees, court or other collection costs, and fees and costs of any appeal.

Merchant Disputes If you have a dispute with a merchant, you may request a credit to your Account. If we resolve the dispute in your favor, we will issue a credit to your Account. You assign to us your claim for the credited amount against the merchant and/or any third party. At our request, you agree to provide this assignment in writing.

Billing Disputes **Your Billing Rights: Keep this Document For Future Use. This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.**

What to do if you find a mistake on your statement.

If you think there is an error on your statement, you may write to us at: Dart Bank, 368 S. Park St. Mason MI 48854 or may email us at banking@dartbank.com. In your letter please provide the following information: your name and account number, the dollar amount of the suspected error, and a description of what you believe is wrong and why you believe it is a mistake. You must contact us within 60 days after the error appears on your statement and at least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong. You must notify us of any potential errors in writing, or electronically. You may call us, but if you do, we are not required to investigate any potential errors and you may have to pay the amount in question.

What will happen after we receive your letter.

Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct. While we investigate whether or not there has been an error, we cannot try to collect the amount in question, or report you as delinquent on that amount. The charge in question may remain on your statement, and we may continue to charge you interest on that amount. While you do not have to pay the amount in question, you are responsible for the remainder of your balance. We can apply any unpaid amount against your credit limit. After we finish our investigation, one of two things will happen: If we made a mistake: you will not have to pay the amount in question or any interest or other fees related to that amount. If we do not believe, there was a mistake: You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We

may then report you as delinquent if you do not pay the amount we think you owe. If you receive our explanation but still believe your bill is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us. If we do not follow all of the rules above, you do not have to pay the first \$50.00 of the amount you question even if your bill is correct. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount. While you do not have to pay the amount in question, you are responsible for the remainder of your balance. We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases. If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us *in writing* at:

Dart Bank
368 South Park Street
Mason, Michigan 48854

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

ARBITRATION

Agreement to arbitrate. In the event of a dispute between you and us arising under or relating to this Account, either may choose to resolve the dispute by binding arbitration, as described below, instead of in court. Any claim (except for a claim challenging the validity or enforceability of this arbitration agreement, including the Class Action Waiver) may be resolved by binding arbitration if either side requests it. THIS MEANS IF EITHER YOU OR WE CHOOSE ARBITRATION, NEITHER PARTY SHALL HAVE THE RIGHT TO LITIGATE SUCH CLAIM IN COURT OR TO HAVE A JURY TRIAL. ALSO DISCOVERY AND APPEAL RIGHTS ARE LIMITED IN ARBITRATION.

CLASS ACTION WAIVER. ARBITRATION MUST BE ON AN INDIVIDUAL BASIS. THIS MEANS NEITHER YOU NOR WE MAY JOIN OR CONSOLIDATE CLAIMS IN ARBITRATION BY OR AGAINST OTHER CARDMEMBERS, OR LITIGATE IN COURT OR ARBITRATE ANY CLAIMS AS A REPRESENTATIVE OR MEMBER OF A CLASS OR IN A PRIVATE ATTORNEY GENERAL CAPACITY.

Only a court, and not an arbitrator, shall determine the validity and effect of the Class Action Waiver. Even if all parties have opted to litigate a claim in court, you or we may elect arbitration with respect to any claim made by a new party or any new claims later asserted in that lawsuit.

Your Right to Go To Small Claims Court. We will not choose to arbitrate any claim you bring in small claims court. However, if such a claim is transferred, removed or appealed to a different court, we may then choose to arbitrate.

Governing Law and Rules. This arbitration agreement is governed by the Federal Arbitration Act (FAA). Arbitration must proceed only with the American Arbitration Association (AAA) or JAMS. The rules for the arbitration will be those in this arbitration agreement and the procedures of the chosen arbitration organization, but the rules in this arbitration agreement will be followed if there is disagreement between the agreement and the organization's procedures. If the organization's procedures change after the claim is filed, the procedures in effect when the claim was filed will

apply. For a copy of each organization's procedures, to file a claim or for other information, please contact:

- AAA at 1101 Laurel Oak Rd., Voorhees, NJ 08043, www.adr.org (phone 1-877-495-4185) or
- JAMS at 620 Eighth Ave., Floor 34, New York, NY 10018, www.jamsadr.com (phone 1-800-352-5267).

If both AAA and JAMS are completely unavailable, and if you and we cannot agree on a substitute, then either you or we may request that a court appoint a substitute.

Fees and Costs. If you wish to begin an arbitration against us but you cannot afford to pay the organization's or arbitrator's costs, we will advance those costs if you ask us in writing. Any request like this should be sent to Dart Bank 368 S. Park St. PO Box 40 Mason MI. 48854 If you lose the arbitration, the arbitrator will decide whether you must reimburse us for money we advanced for you for the arbitration. If you win the arbitration, we will not ask for reimbursement of money we advanced.

Hearings and Decisions. Arbitration hearings will take place in the federal judicial district where you live. A single arbitrator will be appointed.

The arbitrator must:

- Follow all applicable substantive law, except when contradicted by the FAA;
- Follow applicable statutes of limitations;
- Honor valid claims of privilege;
- Issue a written decision including the reasons for the award.

The arbitrator's decision will be final and binding except for any review allowed by the FAA. However, if more than \$100,000 was genuinely in dispute, then either you or we may choose to appeal to a new panel of three arbitrators. The appellate panel is completely free to accept or reject the entire original award or any part of it. The appeal must be filed with the arbitration organization not later than 30 days after the

original award issues. The appealing party pays all appellate costs unless the appellate panel determines otherwise as part of its award.

Any arbitration award may be enforced (such as through a judgment) in any court with jurisdiction

Other Beneficiaries of this Provision. In addition to you and us, the rights and duties described in this arbitration agreement apply to: our Affiliates and our and their officers, directors and employees; any third party co-defendant of a claim subject to this arbitration provision; and all joint Accountholders and Authorized Users of your Account(s).
